Nilosol[®]

All-Purpose Deodorizing Cleaner

Test on hidden area for color fastness before use.

ALL-PURPOSE CLEANING: Add 1 oz. (30 ml) to 1 gallon (3.785 L) of water. Spray on and wipe off or apply with mop, sponge, scrubber, steam extractor or sprayer.

No rinsing required. Contains no harsh alkalis, acids or other toxic disinfectants. When used as directed, it is gentle enough for fabrics, hand laundering, carpeting and upholstery. For heavy cleaning, apply full strength or repeat applications, rinse well.

Fragrance	Gallon 4/case	5-Gallon /each
Original	540C	590C
Citrus	273C	274C

Nilosol is also available in a 55 gallon drum

Suggested Uses and Directions:

APPLICATIONS	PROBLEMS	DILUTION	RECOMMENDATIONS
Automobiles	Interior clean-up	1 oz. - 1 gallon	Use recommended dilution to clean/deodorize water-washable surfaces.
General Clean-Up	Maintenance cleaning and odor control	1/2 - 1 oz. - 1 gallon	An excellent all-purpose cleaner and odor neutralizer.
Fire	Smoke & burnt odors	1-2 oz. - 1 gallon	Use dilution on any water-safe surface where smoke residue and odors might linger.
Floor Care	Soil and odors	1/2 - 1 oz. - 1 gallon	Dilute in mop water to clean floors and deodorize room.
Kitchen	Appliances, countertops, fixtures, and floors	1/2 - 1 oz. - 1 gallon	To clean up appliances and surfaces quickly and thoroughly, use spray bottle to dispense dilution. Use in mop water to clean and deodorize.
Pet	Kennels/pens, cages, and sleeping areas	1-2 oz. - 1 gallon	Pour dilution on areas where pet odor prevails, rinse down. Great as laundry additive (1 teaspoon/load).
Public Transport	Sickness and body odor, general clean-up	1 oz. - 1 gallon	Wash all water safe surfaces with product dilution. Great for ambulatory clean-up.
Restroom	Fixture/toilet bowl cleaning, urine odor, and floors	1-2 oz. - 1 gallon	Use dilution in mop water or in spray bottle for fixtures, toilet bowls, etc. Works well on urine odors.
Sickrooms	Odors and clean-up	1 oz. - 1 gallon	Dilute to perform two difficult jobs in one. Thoroughly deodorizes and cleans.
