Stainless Steel Cleaner & Polish

Finger Prints - Grease - Smudges - Watermarks - Streaks - Stains

Use on stainless steel, aluminum, copper, carbon steel, and other solvent safe surfaces. Spray directly on the surface to be cleaned, or apply the cleaner to a soft cloth or damp sponge and wipe on to the surface. Use a clean, soft and dry towel to wipe and buff the surface. For maximum sheen, use a microfiber cloth.

DO NOT APPLY DIRECTLY TO PAINTED SURFACES.
