### LIGHT DUTY CLEANER - Dilute 1 oz. per gallon or a 1/4 oz. per quart

For glass and general purpose cleaning, spray diluted product and wipe with a clean cloth. For floors, apply diluted product with a mop or automatic scrubber. Rinse and allow to dry.

- Streak-free glass, mirror and stainless steel cleaning
- General light duty spray and wipe applications
- General floor cleaning for mopping and automatic scrubbers
- Bonnet cleaning solution for carpets

**MEDIUM DUTY CLEANER - Dilute 2 oz. per gallon or a 1/2 oz. per quart** For restroom cleaning, general purpose cleaning and carpet spot removal, spray diluted product and wipe with a clean cloth. For floors, apply diluted product with a mop or automatic scrubber. Rinse and allow to dry. For carpet prespray, spray diluted product into the carpet and agitate. For carpet extraction cleaning, pour diluted product into the carpet extractor and clean carpet using cold water and following the manufacturer's instructions.

- Mopping for restrooms and heavily soiled floors,
- Medium duty spray and wipe applications for restroom and general purpose
- Carpet spot remover, pre-spray and extraction solution

### HEAVY DUTY CLEANER - Dilute 12 oz. per gallon or a 3 oz. per quart

For restroom cleaning, degreasing, and carpet spot removal, spray diluted product and wipe with a clean cloth. For Toilets and Urinals spray diluted product and swab or wipe with a clean cloth. For carpet pre-spray, spray diluted product into the carpet and agitate.

- Restroom Cleaner - cleans urinals, bowls, counters, fixtures, showers, locker rooms, removes soap scum and cleans tile and grout
- General degreaser
- Heavy soil and wipe-down cleaner
- Carpet extraction pre-spray & heavy spot remover (extract with water)

### EXTRA HEAVY DUTY CLEANER - Dilute 20 oz. per gallon

Apply diluted product with a mop or automatic floor scrubber. Rinse and allow to dry
