

An Economical Multi-Purpose Deodorizer

Odor-Bane2™ will effectively neutralize and deodorize malodors caused by smoke, vomit, urine, flood waters, etc. **Odor-Bane2™** is exceptionally economical and safe to use by professional cleaners, in-house maintenance personnel or home user. Add **Odor-Bane2™** to your cleaning efforts.

It is very effective when used in: mop water, rinse water, carpet extractors, carpet shampoos, chemical foggers, and trigger sprayers.

- Mopping
- Carpet Care
- Air Freshener
- General Cleaning
- Garbage
- Wet Fogging

OdorBane2™ Deodorizer

Cleaning and deodorizing time can be greatly reduced by adding our water soluble deodorizers to cleaners or plain mop water. This allows the user to clean and deodorize the total surface area in one easy step.

OdorBane2™ will neutralize unwanted odors instead of simply masking them. Most other deodorants contain perfumes which merely cover up or provide a fragrance for a very short time. **OdorBane2™** provides immediate relief from the odor leaving a pleasing fragrance.

OdorBane2™ - Odor Counteractant

- Multi-use deodorizer
- Contains odor neutralizer
- Works up to 24 hours
- Ideal to use on any water-safe surface
