**DIRECTIONS:** Shake well before using.

**SEVERE ODORS-** Using as a full release. Place on a piece of paper in the center of the room, aim the can away from face and press the grey button down until it locks into place. Leave the room for a minimum of 10 minutes.

**LIGHT ODORS-** Use as you would a handheld aerosol. Hold down the grey button and spray around the room or auto. For larger rooms walk around the room fanning the aerosol.
