**DIRECTIONS FOR USE** Shake well before using. Apply a small amount of product to an inconspicuous area before use. If surface dulls, discolors, fades or fiber color transfers to a white cloth, do not use. Do not use on styrene plastics. Test all plastics before using.

**CARPET AND UPHOLSTERY ODORS** caused by smoke, body, spoiled foods or other organic wastes: Simply open nozzle, point toward the center of the room and spray. A fine mist works the best. In areas where smoking odors are a problem, spray toward curtains, carpet, any water-safe material.

**MULTI-SURFACE ODORS:** Spray a fine mist on any water safe hard surface and wipe.

**GENERAL CLEANING & DEODORIZING:** Add 8 oz. (240 mL) to a gallon of your favorite cleaner to help clean and deodorize.
