

Super N Carpet Products rescue carpets from deterioration by breaking down and removing heavy soils, stubborn stains, and any malodor. Each product contains the original, fast acting Super N Concentrate, which assures total odor elimination.

These carpet and upholstery maintenance products are non-toxic and biodegradable. They are safe and can be used with confidence on all water-safe carpets, including those with stain resistant warranties.

Carpet Extractor is a neutral cleaner that contains defoamers and a proprietary odor counteractant. It brings carpet and upholstery to original luster and eliminates any malodor. Safe to use on all water-safe carpets, including those with stain resistant warranties.

Carpet/Upholstery Shampoo is a neutral cleaner and safe to use on all water-safe carpets, including those with stain resistant warranties. It contains grease dissolvers and a proprietary odor counteractant enabling it to deodorize while it cleans.

Spot & Stain Remover contains a proprietary odor counteractant enabling it to deodorize while it removes stains. Effectively cleans soiled traffic lanes, pet stains, upholstery and fabrics. Safe to use on all water-safe carpets, including those with stain resistant warranties.

Remove Tough Soils, Stains and Odors from Carpeting and Rugs

DIRECTIONS: Shake well before using.

Test fabric in inconspicuous place for color fastness before using.

EXTRACTION CLEANER

FOR PORTABLE MACHINES: Add 1 oz. (30 ml) of product to 1 gallon (3.785 L) of water for normal soil. Increase to 3 oz. (90 ml) for heavily soiled conditions.

Use full strength as a spot remover.

FOR TRUCK MOUNT UNITS: Add 8 oz. (237 ml) of product to 5 gallons (18.9 L) of water. Meter solution according to soil conditions. Follow machine manufacturer's directions.

CARPET SHAMPOO

FOR CARPET: Vacuum carpet before cleaning.

For normal soil, mix 1 oz. (30 ml) of **Shampoo** with 1 gallon (3.785 L) of water. For heavily soiled areas, mix 2 oz. (60- ml) of **Shampoo** with 1 gallon (3.785 L) water. Place foil under furniture legs until carpet is completely dry. Follow manufacturer's directions when using electric scrubber. Vacuum after carpet is dry.

FOR UPHOLSTERY: Vacuum before cleaning.

Mix 1 oz. (30 ml) of **Shampoo** to 1 gallon (3.785 L) of water. Using sponge or soft brush, apply to upholstery in circular, overlapping strokes. Wipe with moist towel in one direction. Allow to dry.
Do not use on velvet.

SPOT / STAIN REMOVER

-While stain is fresh, remove all surface matter by blotting moisture.
DO NOT RUB.

-Saturate stained and nearby areas with **Spot & Stain Remover**.

-Wait 30 seconds, then blot with absorbent cloth.

-Sponge area with cold water.

-Allow area to dry thoroughly, brush and vacuum.

Difficult stains may require second application. Excellent additive to carpet cleaners and shampoos at 1 oz. per gallon of cleaning solution.
