

NDC Non Detergent Cleaner is a DETERGENT FREE cleaner that does not leave behind soapy, sticky, soil attracting residue. **NDC** formula utilizes the synergistic power of several cleaning agents to dissolve and prevent the re-disposition of soils. The ground in spills and stains are broken down into small particles that are repelled by carpet and upholstery which allows them to be easily rinsed away.

NDC can be used with all low moisture equipment, extractors, and bonnet systems.

Key Benefits of NDC Cleaner

- Soap FREE
- Prevents soil wicking
- No sticky residue
- Colors look brighter
- Leaves no harmful residue
- Eliminates rapid resoiling
- Carpets stay cleaner longer
- Softer carpet after cleaning

Clean Carpets Without Harsh Detergents

NDC Non Detergent Cleaner

Cleans carpets without harmful detergents

Economical - Dramatic labor and chemical savings realized by the customer.

Versatile - Can be used with the latest low moisture equipment and also compatible with traditional carpet cleaning equipment.

NDC can be enhanced by the Certified Pile Brush. Nothing is more effective at removing dry soil. Plus the environmental benefits of no solution or recovery tanks to service.

NDC will remove dirt, food, soda, grease and grass stains.

Gallon 4/case
