

An Effective Alkaline Spot and Stain Remover

Berry Buster is an alkaline spotter for effective removal of protein based stains. **Berry Buster** breaks down proteins in blood, eggs, milk, chocolate, baby formula, cheese sauce, cream, pudding, vomit, ice cream, baby food, and other protein stains so they can be easily rinsed away.

DIRECTIONS: Shake well before using.

Test fabric in inconspicuous place for color fastness before using.

1. Absorb/remove excess with a clean white cloth or paper towel.
2. Wet spot with **Berry Buster**. Work gently into spot with spatula or bone tool.
3. Blot up into a clean white towel or paper towel.
4. Repeat if necessary.
5. Rinse several times with plain water and absorb into a clean paper towel or towel after each rinse. Cover spot with a clean towel and apply pressure or non-bleeding weight.
