

# NIGHT ANGEL®

## ■ NIGHT ANGEL® NITRILE POWDER FREE EXAMINATION GLOVES

Adenna Night Angel Black Nitrile Powder Free Exam Gloves simulate the fit and feel of latex gloves but are 100% rubber latex free. The Night Angel gloves are made on thinner side for a disposable glove; hence, they are ultra-soft and super flexible to provide more dexterity and tactile-sensitivity.

Their dark black color stands out and masks stains, inks and dyes during use and allows artist to focus on creating their art. These gloves are used across a wide range of industries when a thinner glove is needed to get the job done. They are one of the top selling brands in the tattoo, piercing, body art, hair and beauty industries.
