

Eliminate Mold & Mildew Stains

Mold & Mildew Stain Remover quickly penetrates and removes stubborn mold and mildew stains on tile, grout, porcelain, fiberglass, and all non-porous areas. Leaves the surfaces clean and stain free.

Mold & Mildew Stain Remover harnesses the cleaning power of an inhibited (safe) hydrochloric acid coupled with a new surfactant technology used to clean degrease aircraft engines. Effectively lifts stains and prevents their reoccurrence.

With regular use, **Mold & Mildew Stain Remover** will create an acidic environment which is not favorable for the growth of common mold species.

Mold & Mildew Stain Remover

- Quickly removes mold and mildew stains on grout.
